

Logosbrands - 25th Anniversary Award

Location Toronto, Ontario
Designer / Architect Logosbrands
Duration Dec 2004 - Dec 2004

Scope - Soheil Mosun Limited was contracted to manufacture this one-of-a-kind 25th anniversary Logosbrands award.

Highlights - The award is made of stainless steel with an orbital brushed finish. The body column features a waterjet cut circular disc and "L" shape centered within the column and CNC engraved graphics on the curved side face. The base is a 3/4" thick circular disc also with CNC engraved graphics. Project turn around time was less than one month.

Precisely set elements

CNC machined graphics

Delicate but solid fastening
