

Yorkdale Shopping Centre - Hallway Directories

Location Toronto, Ontario
Designer / Architect MMC International
Duration Jan 2005 - Apr 2005

Scope - Soheil Mosun Limited was contracted to complete the fabrication and installation of two (2) custom interior directories complete with film graphics and external lighting.

Highlights - Soheil Mosun Limited had less than six weeks to supply and install these custom hallway directories in time for the grand opening of the Shopping Centre's newly renovated wing. The heavy gauge stainless steel support struts with rebated reveals were machined to perfection, setting off the beautifully designed map artwork and graphics held between two layers of beveled and laminated glass. These directories were delivered on time and to the complete satisfaction of our customer.

Recessed halogen flood light
