

The Armour Group Limited - Queens Marque Spool Yard Spools

Location Halifax, Nova Scotia
Designer/Architect Sperry Design Inc.
Duration May 2020 - Sept 2022

Scope - Soheil Mosun Limited was contracted to manufacture design and supply these solid muntz bronze Spools at the historic Spool Yard at Queens Marque in Halifax Nova Scotia. These consist of two (2) vent spools, one (1) pause spool and one (1) ghost spool.

Highlights - The two (2) vent spools and one (1) pause spool, have stainless steel welded framing within for enduring support. All spools are 1/8" thick muntz panel with etched and patinated graphics depicting historical aspects of the Spool Yard. At the base of the spools are 3/16" thick muntz inlay with etched and patinated graphics attached to 1/4" thick stainless steel baseplates. The Ghost spool is 3/16" thick muntz with etched and patinated graphics. The standing spools include LED raceways for lighting by others.
